"Dear Sir

"Dr Beaumont, an eminent Surgeon of the American Army, will, at my instance, request your ~~very~~ kind offices (so often experienced by myself) in a very interesting affair which he will explain to you - He will request you to transmit to Prof Berzelius, a quantity of the pure Gastric fluid obtained through an artificial orifice from the stomach of a healthy man -

The Am. Journal for this month, will be forwarded to you for Sweden in few days

Dr Beaumont will request you particularly care for the Bottle to Prof Berzelius"

I remain, Dear Sir -"

your very obliged and
obedient servant

Signed "B. Williman -"
