

Washington Dec 26. 1834

Dear Sir, Agreeably to your request
I enclose a supply of vaccine matter.
You will receive an order to return to
Jeff Barracks - I should be glad to
have Dr. McPhail with you; Agreeably
to the regulations however it will be
necessary for you to make the arrange-
ment with Dr. McPhail, who is assigned
to the Post, & cannot consistently be transferred
from it without his consent - It will be
well to communicate with Dr. McPhail
who is at Fort Jackson near N. Orleans.

Sincerely yours
Howell
