

Surgeon General's Office

25th October 1839.

Sir,

I have to acknowledge the receipt of your letter of the 1st Instant, transmitting returns of Medical & Hospital supplies for the half year ending the 30th of September last, with a report of sick & diary of the weather for the quarter ending the same day; also a report of recruits examined during the month of September.

Duplicates of your Semi-annual returns have not yet been received, and as they are necessary to the settlement of your property accounts at the Treasury, you will please forward them as soon as practicable.

Your letters of the 5th & 8th Instant, transmitting accounts for disbursements during the last quarter, and acknowledging the receipt of No 77 of Johnson's Journal have been received.

The accounts have been approved and sent to the office of the 2nd Auditor of the Treasury for settlement.

Very respectfully

Your Obed Servts.

Dr. W. Beaumont
