Harvard Professor Scheduled As 15th Annual Tritt Lecturer

DR. FINLAND

Dr. Maxwell Finland, associate director of the Thorndike Memorial Laboratory and associate professor of Medicine, Harvard Medical School, Boston, Mass., will speak on "Antibiotics and Staphylococcal Infections" at 8:30 p.m., January 25, in Steinberg Auditorium.

Dr. Finland will deliver the Fifteenth Jack H. Tritt Memorial Lecture. The Tritt lectures are given annually in memory of a former intern and resident who died suddenly in 1941 at the age of 31.

Dr. Finland received his medical degree from Harvard Medical School and progressed from intern to Chief of IV Medical Service at Boston City Hospital. He is the author of numerous papers dealing with infectious diseases and their treatment. He is a member of many medical and scientific societies as well as various governmental committees.

Members of the Jack Tritt Memorial Lecture Committee are: Doctors Ben H. Senturia, chairman, Alfred Goldman, Sam Schneider, and Samuel D. Soule.

New Machine Tells Blood Loss

A \$4,000 machine called the Volemetron, which helps to determine a patient's blood loss much more accurately and quickly than other procedures, has been in use at the hospital for the past few months.

Blood volume of a patient can be measured in 20 minutes by the "count" recorded on the Volemetron by blood specimens taken before and after a small dose of human serum albumin tagged with radioactive iodine. This technique, radio isotope dilution, uses such a small amount of radioactive material (only 7/10's to 5 microcuries) that blood volume can be measured serially on a patient as many as five times without exposing him to too much radioactivity.

During surgery, as well as in medical situations such as shock or bleeding, the speed and safety of the Volemetron aids tremendously in reducing postoperative complications and saving lives.

The Volemetron was invented by a surgeon at Beth-Israel Hospital, Boston, Mass., with the help of his brother, an electrical engineer. Portable and extremely simple to operate, the machine is transistorized — ready to go the minute it is plugged into an electric outlet.

Child Unit Gets Grant

A three-year \$36,000.00 grant has been awarded to the hospital by the Children's Research Foundation to support research in the Ellen Steinberg Department of Child Psychiatry.

The grant will support the work of a psychiatrist, psychologist, and sociologist on ward and clinical research problems, Dr. Naomi Rae Grant, clinical director of the department, said.

The department, designed for intensive treatment of emotionally disturbed children, was opened in 1958.

The Children's Research Foundation, a St. Louis charitable organization, was created "to preserve, protect and improve the mental and physical welfare of infants and children."

Nurse-For-A-Day

High school juniors and seniors interested in nursing careers are invited to attend the sixth annual Nurse-for-a-Day program from 11:30 a.m. to 5 p.m., Saturday, January 13, in the Moses Shoenberg Memorial nurses residence, 306 S. Kingshighway.

Annual Buffet

Holiday Party Set For Dec. 19

More than 1,000 employees of the hospital, including student nurses and house staff members, are invited to the annual Employees' Holiday Party Tuesday, December 19, in the main dining room.

A buffet-type dinner as well as eggnog will be served from 3 to 6 p.m.

The party is being held in the main dining room as a result of questionnaires completed by party guests last year indicating that guests needed more room in which to enjoy their dinner.

Members of the party committee are: Bo Axelrod, Mrs. Fern Stewart, Miss Marjorie Boulton, Miss Sally Pugh, George Horne, Mrs. Beulah Sanders, and Robert Rubright, chairman.

Department supervisors, and employees from representative areas of the hospital have been asked to act as hosts and hostesses and to serve at the buffet tables.

"It will be the most colorful holiday party ever," a member of the party committee replied when asked for a comment on the annual event.

Health Plan Wins Award

The St. Louis Community Health Plan, developed by the Jewish Federation of St. Louis, was the recipient recently of the ninth annual William J. Shroder Memorial Award from the Council of Jewish Federations and Welfare Funds.

Jewish Hospital, around which the health plan revolves, was singled out for praise.

An article in the *St. Louis Light*, publication of the Jewish Federation here, saluted the hospital as "a community health center combining the highest standards of medical education and research, of preventive medicine and community education."

Here's Clover Ball Preview

Mrs. Morton L. Meyer, Clover Ball executive committee member, holds model of Air France Caravelle, the plane which will fly to Europe lucky winners at the ball of a 17-day Open Road tour of the French provinces. The tour and flight were donated by Goldman-Meyer Travel Agency of St. Louis. The 1962 Chevrolet, in which Mrs. Meyer is seated, will also be a ball attendance prize. It was donated anonymously.

Rehab Nursing Institute Set

A one-week institute on rehabilitation nursing will be held at the hospital next February 5 through 9. The session will be limited to about 50 graduate nurses.

Dr. Donald Rose, professor and chairman of the department of physical medicine and rehabilitation, University of Kansas Medical School, will be on the faculty which will include members of the hospital's rehabilitation team and medical specialists.

In addition to the institute, course participants will be offered an optional week of actual patient care experience in the rehabilitation division sometime later in 1962.

Coordinating plans for the institute are Robert Hickok, coordinator of the rehabilitation division, and Mrs. Fern Stewart, supervisor and instructor in rehabilitation nursing. Sponsoring the event are the rehabilitation division and nursing service.

Health Award

(Continued from Page 1)

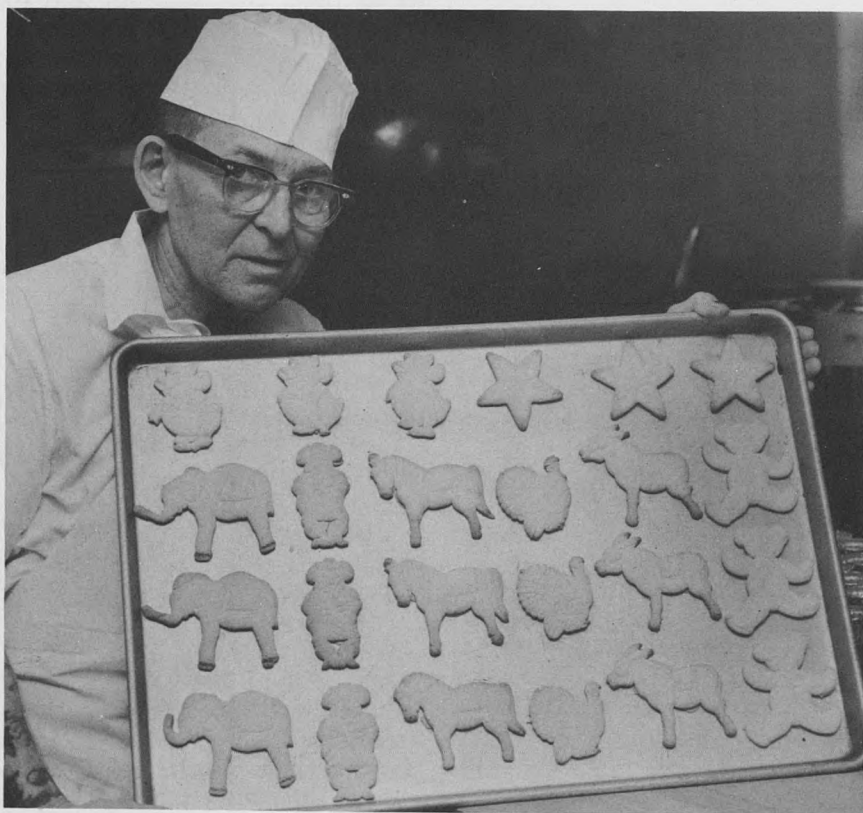

"As long ago as March 1946, the Jewish Federation of St. Louis began the process of study which culminated in December 1950 with the final report of the Federation's Health Planning Committee. This in turn led to the reorganization of our community health services, a reorganization which created a great institution — the Jewish Hospital."

The Shroder Award also recognized the valuable services of the Jewish Center for the Aged, which coordinates its medical care with the hospital.

Wanted: Radios

Table-model radios, maximum size 15" x 10", in good working order, are needed in the hospital's rehabilitation division for use by patients. Persons interested in donating radios should contact Mr. Robert Rubright, FO. 7-8080, Sta. 451.

Salty as only an ex-sailor can be, Earl Huff, dietary baker, has added salt-free pastry and cookies to the list of low-sodium foods he prepares for special diet patients.

Miss Tory McKee, Florissant freshman, plays the patient in a demonstration during the second annual Freshman Show Me Day, held in November for some 110 high school senior friends of nursing school freshmen. Applying the gentle massage to Miss McKee is Miss Roberta Moss, freshman from Maplewood, while student council president Miss Joyce Enloe, senior from Jefferson City, looks on at her left.

Fund Helps Needy Patients

Nine needy patients have benefited from special services provided by the Beth El Congregation of Flat River, Mo., Assistance Fund, a financial summary indicates. The fund was established by congregation leaders in early 1960 with proceeds from the sale of the synagogue.

A summary of expenditures shows that three patients received round-trip taxi trips to and from the hospital for treatment, two

Fund Drive Hits New High

The \$12,950 raised this fall by employees of Jewish Hospital was the largest gift ever given by any St. Louis hospital to the United Fund. The 1961 campaign total exceeded by \$8,285 the amount raised by hospital employees here in 1960.

More than 120 employees served as team captains and division leaders in the two-week drive here. Nearly 97 per cent of our 1,000 employees made payroll or cash contributions.

With the response of Jewish and other hospitals who achieved their Fair Share quotas, the United Fund hospital division was the first to exceed its 1961 quota. Dr. David Littauer is division chairman.

One United Fund official said: "We feel that Jewish Hospital's accomplishment was a contributing factor in the success of other hospital campaigns."

Needless to say, a hearty thanks and congratulations are due all who contributed and all who worked on this gigantic enterprise to make St. Louis a healthier and better place in which to live.

Mrs. Shirley Smith, dietary, points out the "temperature" to Mrs. Fran Stovall, personnel.

others, both in isolation, were provided with television sets, and four received ambulance service.

Two medical staff members, Drs. Bernard DeHovitz and Morris Alex, are trustees of the fund and discuss each expenditure with Miss Mary McKeever, social service director, or one of her assistants.

Persons wishing to contribute to the fund should send checks, payable to the fund, in care of Miss McKeever.

Staffers Revise Key Textbook

Physiologist Sam Frankel has been burning the midnight oil for nearly two years while revising a two-volume textbook called *Gradwohl's Laboratory Methods and Diagnoses*. Dr. Frankel and Dr. Stanley Reitman, medical staff internist, are co-editors of the 3,000 page work which is due at their publisher's in early January.

The textbook was originally compiled by the founder of the Gradwohl School of Technology in St. Louis where Dr. Reitman is medical director. It is used by technicians and medical persons all over the world and is, according to Dr. Frankel, "the most comprehensive textbook of its kind."

Jewish hospital basketball team: first row, Tory McKee, Carol Haring, Nancy Hawkins, Peggy McCarthy, Joan Zeilman; back row, Miss DeLap, Gina Arnold, Barion Eichenberg, Vicky Heard, Sharon Barnett, Teddy Listner, Jane Frick, captain, Evelyn Pelan, Dan Beekler.

League basketball games for the Third District Nurses' Association began December 5 at Deaconess when St. John's team played Lutheran and DePaul met Missouri Baptist.

Games are scheduled to be played in our gymnasium (316 S. Kingshighway) on January 18, January 25, and February 6 (the last game of the season).

The team's coach, Dan Beekler, is a junior at St. Louis University dental school. The team's sponsor, Miss Eloise DeLap, graduate of the School of Nursing, is assistant instructor in Fundamentals of Nursing.

Cheerleaders elected by the student council for the year are: Kay Bridges, Ruth Launius, Joan Plese, Sharon Casteel, and Nancy Fedak.

Dr. Littauer Named to Magazine Board; Albrecht Heads Hospital Accountants

Dr. David Littauer has been appointed to a three-year term on the Board of Editors of *Public Health Reports*, a monthly magazine published by the Public Health Service of the U. S. Department of Health, Education, and Welfare. *Public Health Reports* deals with developments in medical care programs and in preventive medicine, and reaches medical care administrators, public health officials, hospital administrators, and scientists working on the causes and prevention of diseases.

Dr. Calvin H. Weiss, chairman, department of dentistry, is president-elect of the American Association of Industrial Dentistry. Dr. Weiss has also been named consultant to the Missouri Dental Association's Council on Dental Health Workshop next January 14 and 15 in Jefferson City.

At its annual meeting in October, Dr. Robert Goldstein, director, audiology section, department of otolaryngology, was elected vice-president of the Missouri Speech and Hearing Association.

Mr. David Levine, speech and hearing therapist in audiology, is presently vice-president of the Speech and Hearing Association of Greater St. Louis and president-elect.

Irwin Albrecht, assistant director and controller of the hospital, has been elected to a one-year term as president of the St. Louis chapter, American Association of Hospital Accountants. The group has about 75 members.

MR. YETT

Mr. Donald Yett, a native of Long Beach, California, has joined the Medical Care Research Center. He has completed all academic requirements for his Ph.D. degree, and is currently doing research for his thesis, which concerns hospital labor shortages.

He has held several teaching positions, most recently as an instructor in economics at Ohio State University, and for several months this year served as a consultant for the Ohio State Nurses' Association. Presently, he is an instructor at Washington University, economics department.

Mr. Yett's first project study here concerns an analysis of the hospital nursing shortage.

MDs Remembered

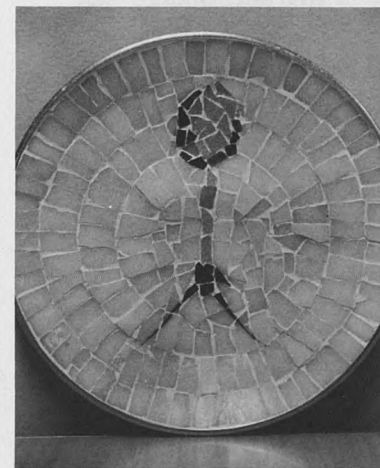

Myer Brothers Papers Shown

Memorabilia of the distinguished careers of two physician brothers, Drs. Jesse and Max W. Myer, are on display on the hospital's first floor.

Dr. Jesse Myer, who died of leukemia at the age of 41 in 1913, was an internist and former acting director of medical ward service of the old Jewish Hospital on Delmar Blvd. Before his death, he completed a biography of William Beaumont, Army surgeon at Jefferson Barracks who won fame as a physiologist.

Dr. Max W. Myer, who died in 1948 at the age of 70, was chief surgeon at the hospital from 1935 to 1946. He occupied the chair of obstetrics and gynecology at Missouri University School of Medicine before serving in World War I. Following the war, he resumed practice in St. Louis, later becoming professor of Surgery at St. Louis University School of Medicine. His widow, Mrs. Max Myer, has continued the family tradition with her own fascinating treatment of the Beaumont saga, parts of which have appeared in the *Bulletin* of the Missouri Historical Society.

Look At A Mosaic Phage!

The abstract design in mosaic tile on the ash tray exhibited by Mrs. Helen Merz at the recent hospital Art Show represents the textbook illustration of a bacterial phage her son is trying to isolate in his research project in viruses at Madison, Wis.

Mrs. Merz is the nursing school's social director.

New Yorker Was First Hellman Workshop Speaker

"Voice Disorders and Vocal Rehabilitation" was the subject of the lecture given by Dr. Friedrich S. Brodnitz, Chief of the Voice and Speech Clinic, Mt. Sinai Hospital, New York City, at the first annual Milton Hellman Workshop December 13 in Steinberg Auditorium.

A native of Berlin, Germany, and graduate of University of Berlin Graduate Medical School, Dr. Brodnitz is the author of *Keep Your Voice Healthy* and *Vocal Rehabilitation*.

The Workshop, conducted in memory of the late Milton Hellman, will be sponsored annually by the department of otolaryngology to offer the hospital staff, as

well as staff members of other institutions, opportunities to observe through lectures, research conferences, and clinical sessions, techniques of specialists in otolaryngology and related fields.

Mr. Hellman, who died last June 26 at 75, was an early leader in the Boy Scouts, active in Jewish organizations and the former Community Chest, and served on the boards of YMHA-YWHA, People's Hospital, Social Planning Council, and the Social Health Association. He was instrumental in providing financial assistance to research programs initiated in the department of otolaryngology.

Gift Provides Chanukah Party

For the fourth successive year, Mrs. Samuel M. Koplars provided funds in memory of her late husband for a Chanukah party for patients.

Gifts and refreshments were provided for the patients attending the party on December 5 in the hospital's ambulatory dining room.

The service was conducted by Rabbi Bernard Lipnick of B'Nai Amoona congregation.

Miss Dolores Biggins, nurse anesthetist at Jewish hospital for six years, was elected president of the Missouri Association of Nurse Anesthetists at its 25th anniversary meeting in St. Louis. She will serve a one-year term.

Miss Ruth Ecklund, staff anesthetist here for four years, was elected secretary of the group. Miss Dorothy Schmidt, chief nurse anesthetist, served as president in 1952 and 1953.

Doctors Study Work Systems

Physicians who are members of the medical staff advisory committee to the nursing service embarked December 12 on a four lecture series on industrial engineering in the hospital.

The series is being conducted by Dr. Jay Goldman, director of industrial engineering.

The sessions will cover basic management philosophies, models of hospital work systems, approaches to the design of work systems, and, possibly, actual problem solving.

Dr. Daniel L. Rosenstein, associate pathologist, reports that the Volemetron, pictured above, has been used 68 times on 36 patients since it was put into operation last July. (See page 1)

19 Scholarships for Nursing School

The Scholarship Foundation of Saint Louis has awarded to the School of Nursing 19 full-tuition scholarships totaling \$3,461, Mrs. Robert C. Treiman, president, has announced.

The gift brings the total value of 69 Foundation scholarships given to Jewish Hospital student nurses since 1948 to \$30,858.

The Foundation, which awards scholarship loans and gifts to undergraduate and graduate college students in Missouri, presently supports the education of 60 university students, exclusive of Jewish Hospital student nurses.

The 1000-member organization operates the *Scholarshop*, 7809 Forsyth, Clayton, which specializes in re-sale clothes for young people.

Construction Work Moves Easterly

Construction work on the new Forest Park Parkway is progressing in an easterly direction.

In the next three months, workmen will concentrate their efforts in the area of Forest Park Avenue 200 feet east of Kingshighway. This phase of the project has altered the access to and use of the hospital's ambulance entrance.

By March 1, weather permitting, the entire center median on Forest Park Avenue all the way to Euclid Avenue will be ripped up. No traffic will be permitted on this stretch until project completion.

After March 1, ambulances will be able to turn right from Kingshighway into the short 200-foot stretch of Forest Park Avenue, enabling them to swing into our ambulance entrance.

The parkway will slope upward, reaching ground level about 570 feet east of Kingshighway, a construction spokesman said. A traffic light will be installed at Euclid, synchronizing with existing lights all the way to Compton Avenue, where the new parkway will join Market Street.

Clover Ball Is Sellout!

Event Set For January 20

The long planned for, long awaited Clover Ball, which will mark the tenth anniversary of the Jewish Hospital Medical Center Auxiliary, is a sellout.

Additional tables are being added to the Khorassan Room to meet the excessive demand for reservations.

The black tie affair will be held January 20, 1962. Cocktails will be served at 7:30 p.m., followed by dinner and dancing to Lester Lanin's 12-piece orchestra.

Proceeds from the ball will be used to help defray expenses of adding new physical facilities to the hospital's department of adult psychiatry.

Mrs. Walter Cohen, I., happily receives as attendance prize, two tickets to the Clover Ball from Mrs. Robert Hausfater, Auxiliary program chairman, at the fall meeting at Meadowbrook Country Club.

MRS. SYDNEY M. SHOENBERG, JR.

General chairman of the ball is Mrs. Sydney M. Shoenberg, Jr. Her vice chairmen are Mrs. Albert Felberbaum, Mrs. Joseph Ruwitch, and Mrs. Edward F. Schweich.

Other members of the ball executive committee are:

Mrs. Howard S. Baer; Mrs. Jean B. Charak; Mrs. Saul A. Dubinsky; Mrs. Clarence T. Eckert; Mrs. Maurice J. Freeman; Mrs. John M. Friedman; Mrs. Joseph Goldstein; Mrs. Maurice L. Hirsch; Mrs. Robert Hurwitz; Mrs. Lee I. Kaufman; Mrs. Melvin B. Kirstein; Mrs. Harry W. Loeb; Mrs. Kenneth Marshall; Mrs. Morton D. May.

Mrs. Morton L. Meyer; Mrs. Eric P. Newman; Mrs. Stanley Richman; Mrs. Morris Sachar; Mrs. Arthur Scharff, Jr.; Mrs. Roger Schwab; Mrs. Ben H. Senturia; Mrs. Morris Shenker; Mrs. Robert H. Shoenberg; Mrs. A. Ernest Stein; Mrs. Henry H. Stern; Mrs. Earl Susman; Mrs. Milton H. Tucker; Mrs. Nathan Tureen; Mrs. Frank P. Wolff; Mrs. Robert Wolfson; Mrs. Louis I. Zorensky, and Mrs. Sander Zwick.

Door Prizes Add Excitement

Elaborate door prizes will add a distinct touch of excitement to the anniversary event. Among the ten prizes will be a 17-day all expenses paid trip to France, including a round-trip flight to Paris and an Open Road tour of French provinces, given by the Goldman-Meyer Travel Agency and a 1962 Chevrolet, donated anonymously.

Also, a \$1,900 mink stole, presented by furrier Roy Solari; a Sophie Original dress from Sak's Fifth Avenue; Flowers of the Month given for one year by George Waldbart Floral Co.; a woman's solid gold wrist watch from Jason Kawin, jeweler; a pair of solid gold cuff links from Menne-meyer's Jewelry Co.; an electric hot tray from Helen Wolff's Gift Shop; a \$250 gift certificate from Richelle Gallery, and a man's gold watch from the hospital's Gift Gallery.

A gift from Mr. and Mrs. Charles H. Yalem provided the ball invitations and souvenir program.

Doctors' wives from St. Louis and surrounding communities were invited over the last few months to a series of teas to explain the ball and its purpose. Above, l. to r., Mrs. Isadore Shulman, Vandalia, Ill., Mrs. Maurice Shulman, Vandalia, Ill., Mrs. Sydney M. Shoenberg, Jr., Mrs. Melvin B. Kirstein, and Mrs. Joseph Goldenhersh, East St. Louis, Ill.
